Reliable, Experienced, Innovative, & highly resourceful professionals who started their journey back in 2016 with the aim to provide buyer & seller the best possible options through our people who value relationship over transactions.

ABOUT CITY

CITY OF WRESTLERS

It is also known as "City of Wrestlers" and is quite famous for its food. The city is Pakistan's 5th most-populous metropolitan area, as well as 5th most populous city proper after Karachi, Lahore, Faisalabad and Rawalpindi respectively. Currently there are many commercial projects ongoing in this beautiful city to facilitate the people of the city so that they can find everything they need within their reach. But, there has been no project so far which houses all the brands under one roof. So Gujranwala Emporium is going to be the next landmark of this incredible city.

ABOUT ARCHITECTS

CREATING INSPIRING DESIGNS

The architects of this amazing project are well reputed name when it comes to deliver the excellency. Gujranwala Emporium is a Thematic Shopping Destination based on the concept of Arabic Souqs & Turkish Market Places in the heart of the City, where customers will have a very unique and diverse shopping experience. So, to bring in this diversity, class and elegance in Gujranwala, Builtron Architects have played a major role to reshape the luxury in Gujranwala.
